

Name:			

Deconstructing Misconceptions and Stereotypes

Analyzing evidence to substantiate a claim

	After you read the placards Include a correct statement/ claim and justify with evidence and citation of source. Tips: Remember a claim is a statement (use part of the question). Remember to cite your source (where the evidence came from) and remember your evidence needs to support your claim.
1.	Evidence: Claim Islam does not promote violence because according to the Qur'an it states, "whoever citation kills a soul- it is as if they killed mankind." Evidence
2.	Do all muslim women wear hijabs (headscarves)?
3.	Do Muslims get along with Jewish people and Christians?

	After you read the placards Include a correct statement/ claim and justify with evidence and citation of source.
